

ART LEAGUE OF LELAND  
PO Box 755, Leland, NC 28451

Dear ALL Members,

The Art League of Leland exhibition committee is working to find opportunities for our members to exhibit their work. We have developed a relationship with Brunswick Beer and Cider in the Villages at Brunswick Forest and Sweet Nectar's Florist Shop in Leland. In order to have a pool of art to select from, we are asking any of our artists who would be interested in being on the walls of a community business to give us your information.

We need the following:

- Two or three images (jpegs) that are typical of your work
- Description of each with title, media, and size (H x W)
- Your contact information (name, email, phone)
- Your website, if available, or a link to a webpage with more work if you have one
- This will be 2-D, or wall work only, for ALL members only.

Your email, with the above information can be sent with the heading: "Community Walls" to: [allgalleryshow@gmail.com](mailto:allgalleryshow@gmail.com)

The ALL Exhibition Committee will be selecting two or three artists to partner for the BB&C slots or the Sweet Nectar's Florist Shop, which will each last two months.

The artists at Brunswick Beer and Cider location will be able to have their work for sale, although that is not mandatory. Brunswick Beer and Cider will **not** take a sales commission, but will give the potential buyer your contact information. They have invested in a hanging system for the big front wall on the left as you enter the restaurant, and our team will install the show with your help.

The artists at the Sweet Nectar's Florist Shop location **must** have their work for sale. Steven, the owner will handle all sales and collect a 20% commission for any work sold. He will also arrange to have an artist reception at the shop at a date convenient for those involved.

As we are able to add to these opportunities, we will use this pool of emails to review our members' work, so if you want to update the work after six months, you can send a new email and we will replace your previous one.

We look forward to hearing from our members for these wonderful opportunities, with more to come in the future! Please send responses and questions to: [allgalleryshow@gmail.com](mailto:allgalleryshow@gmail.com)
