Information for Art Submissions

This is a fine art exhibit and all work must be original (no giclee prints or copies of other artists' work) and created within the past five years. All 2-D and 3-D media will be considered (painting, drawing, photography, mixed media, hand-created sculpture, ceramic, glass, and fiber art). No video or installation art please.

Submitting artists must be members of the Art League of Leland. There is no submission fee.

Artists must adhere to the pick-up and drop-off dates, be able to attend the opening reception, and help with refreshments. Installation of the show will be handled by the ALL committee.

Sales are the responsibility of the artist. LCAC will provide contact information to potential buyers but will not charge a commission.

Accepted artwork is on consignment at the LCAC gallery space and is not insured by ALL or the LCAC against theft, damage or loss. A detailed consignment form will be sent to accepted artists before the drop-off date.

Due to space constraints, application can be made for a maximum of two pieces, and the maximum width for wall art is 24" (unframed). In an attempt to put together a cohesive show, we request a brief description of your framing; simple classic framing is helpful. Pedestals will be provided for 3-D work in various sizes, up to 18" square. Art should be no heavier than can be lifted by one person.

All 2-D work MUST BE WIRED FOR HANGING with no sawtooth hangers or glass clip frames. Unframed pieces must be gallery-wrapped or have finished edges, and be wired. Art should be concurrent with local community standards; in this case, that means no nudes.

Please use the following form to submit your information with JPEGs. Submissions will be reviewed by a selection committee from ALL.

Submission Form: "It's ALL Art!"

Please fill out, scan, and email this form along with your JPEGs to allgalleryshow@gmail.com. If you have questions, please email karifeuer@yahoo.com.

No more than two pieces can be submitted per artist. Submission is for members of ALL only. For information on becoming a member, please go to <http://www.artleagueofleland.org/membership.html>

Remember, your art is judged by your JPEGs: They should be clear, cropped, and have no glass glare. It is acceptable to show the framing that you will have on the piece, as we are asking for frame information in order to build a show with a professional gallery look. A second JPEG for a 3-D piece showing another angle is acceptable.

Label your JPEG with #1 or #2 to correspond with the submitted title. Please remember the size restrictions.

Please make your submission no later than midnight, March 7, 2019.
