

Art League of Leland (ALL) Workshop Series

THE ART OF CRITIQUE AND ARTIST SUPPORT with Kari Feuer

Two Offerings: November 10, 2020 or December 8, 2020

Workshop Description

Learn the language of critiquing artists' work while nurturing and encouraging the artist. Share ideas for better presentation, work habits, and exhibition venues. Artists can always use feedback and support! Use these practices to form your own critique/support groups for sharing with fellow artists. Please bring one or two pieces of your own artwork for the group to use to practice the concepts presented. Beneficial for all skill levels.

About the Instructor

Kari Feuer grew up among the trees and streams of the coastal Northwest, and her love of nature led her toward the landscape as her painting subject. An East Coast transplant, she painted for many years in the Hudson River Valley and Cape Cod.

A recent move to coastal North Carolina is providing challenges and excitement in observing the new landscape with its beaches and marshes. Her work has been shown in many galleries in the Northeast, won national recognition, and has been collected on several continents.
