

SARAH M. SMITH

Sarah is a local artist, born and raised in Hampstead, NC. She has her Masters in Business Administration from St. Andrews University. Her specialty and passion is capturing the personalities of animals in paintings and drawings. Much of her subject matter is horses because she understands their composition the most; but finds it rewarding to paint multiple companion animals. She feels the magic moment in her artwork is when the glistening highlights of the eye capture the emotion of the animal. Sarah's works in a variety of media such as charcoal, pastel, acrylics and oils. She is currently working toward an application to The Savannah College of Art and Design to pursue her Masters in Fine Arts.
